WORKSESSION ITEM

TO: Mayor; Lansing City Council
FROM: Tim Vandall, City Administrator 
DATE: January 20, 2017
SUBJECT: Comprehensive Plan Review & Suggestions

Explanation: The City of Lansing's Comprehensive Plan, titled *Lansing 2030: A Vision for Tomorrow*, was adopted by Ordinance No. 943 on October 16, 2014, and it is a 15 year "blueprint" for growth and development in Lansing. Pursuant to the City Council's suggestion at the November 17 council meeting, we have scheduled a joint work session with the planning commission to review the comprehensive plan and propose potential improvements.

Please review areas of concern from the comprehensive plan and we can propose modifications. The comprehensive plan can be found online at <http://lansing.ks.us/DocumentCenter/View/3859>.

Financial Considerations: Costs to update the comprehensive plan are minimal.

Policy Considerations: The City Council expressed a desire to modify portions of the comprehensive plan prior to beginning work on the unified development ordinance.

Action: Discussion only.
