City Engineer: City Engineer had nothing to report.

City Administrator: City Administrator Tim Vandall advised that the 9 Mile Creek pre-construction meeting was held and the start date will be in early November and the contractor will have 270 days to complete the project. He also advised that the comments the City had in regards to the Eisenhower Road project have been sent to the County, but no response has been received. He also mentioned that for regulations and cost reasons, the County has forgone the grant that would have aided with the project. The request for sidewalks on the south side of Eisenhower were included as an alternate for the request for the project, so if bids come on favorable and under budget, the City would then ask for the sidewalks to be put in on the south side of Eisenhower. If the sidewalks are not put in, the County would still grade the area for sidewalks. Tim also spoke about the McIntyre Road project and cleared up that the County originally designed the project as an arterial road, which would include the 45 mile per hour speed limit.

The County did approach the City and asked if the City would be willing to lower the design standards, but the City declined and supported the design as originally conceptualized by the County as a 45 mile per hour arterial road.

Governing Body: Mayor Kirby mentioned that the Mayor’s Christmas Tree Program fundraiser at Freddy’s has had a date change, and will now be on October 25th from 5-8p.m and advised that Freddy’s would like to see a hard copy or digital copy of the flyer as well.

Councilmember Gardner thanked everyone for the dinner and thanked the volunteers for their contributions to the City. He also thanked Beth for her report and commented on how nice it was to have the volunteer of the year be from the library who has been doing so well in the last few years.

Councilmember Pawlowski mentioned that she attended the League of Kansas Municipalities Annual Conference and attended some very interesting round table discussions along with hearing Frank White speak. One discussion was on a tiny house movement, and the others were on code update services and records retention/digitization. She also mentioned that there is a Regional Supper coming up in Atchison and that she received an invitation to a KOMA training at the County Courthouse.

Councilmember Garvey stated the dinner was very nice on Monday and that we can’t thank our volunteers enough for all they do, and he congratulated the volunteer of the year. He also thanked the Police Department for the updates they provide on Facebook, it really promotes a sense of transparency and he appreciates that.

Councilmember Buehler thanked the volunteer for all they do and stated that we can’t do the things we do without them. He also provided a fun fact: on this day in 1873, Yale, Princeton, Columbia, and Rutgers University published the very first code of American football rules.

Councilmember McNeill echoed the sentiments of the others in regards to the volunteers and the volunteer of the year, and stated that the dinner was great and he thanked the employees as well.

Councilmember Brungardt thanked Sunshine Petrone and Sarah Bodensteiner for their work on the dinner, he also thanked volunteer of the year recipient Pat Long for her well-deserved award and the other volunteers. AGENDA ITEM

TO: Tim Vandall, City Administrator
FROM: Jeff A. Rupp, Public Works Director 
DATE: October 27, 2016
SUBJECT: Reservation of up to 500 Tons of Street De-icing Salt

Lansing Public Works participated again this year in a group purchasing bid process with Leavenworth County and the other cities in the county. This agreement guarantees up to 500 tons of salt. We are not obligated to take delivery of the entire amount, and the price is guaranteed for the 2016-2017 winter season for additional salt as available beyond 500 tons if we need it.

The low bid from Hutchinson Salt Company of Baxter Springs, Kansas, was accepted by the county. The bid amount was \$52.85/ton delivered to our Service Center. We have sufficient salt on hand for the remainder of 2016, and ice control is funded in Fund 22, Consolidated Street and Highway, Line 22-014-42200 at \$35,000 for 2017.

To formalize Lansing's acceptance of the bid, we need City Council approval.

Action: Approve the bid of Hutchinson Salt Company of Baxter Springs, Kansas, for de-icing salt at delivered unit price of \$52.85/ton, and authorize the Public Works Department to purchase up to 500 tons as needed.

In addition, the City of Tonganoxie, City of Basehor and City of Leavenworth and the City of Lansing are added as bulk bids. Central Salt	\$53.48	\$53.48

At a regular session of the Board during the Public Works monthly report on Monday, July 11, 2016 the Board of County Commissioners awarded the bid to the low bidder, Hutchinson Salt Co.

We are pleased that you were awarded the bid, and look forward to working with Hutchinson Salt this upcoming winter. If you have any questions or concerns, please feel free to contact either myself or Doug Smith, Rd & Br Superintendent at 913-727-1800.
