1. Ordinance No. 1050 – Face Mask Ordinance

Adjournment

AGENDA ITEM

TO: Mayor; Lansing City Council
FROM: Tim Vandall, City Administrator
DATE: November 23, 2020
SUBJECT: Ordinance No. 1050

Explanation: Ordinance No. 1050 would require the wearing of masks in public within Lansing. This ordinance would take effect at 12:01am on November 27th, and cease at 11:59pm on January 31, 2021. There are several exemptions, located in Section 8-602, Section C.

Staff will be sending letters to all businesses in Lansing to ensure all are aware of the new ordinance, but also to answer any common questions that may arise. We will also let our business community know that we have fifty boxes of disposable masks available for businesses, and the City can continue to purchase more, as needed.

Chief Wayman, the City Attorney, and City Prosecutor all had a part in the crafting of this ordinance. We will strive to utilize warnings before any citations are issued. The City's goal with this ordinance is to increase mask usage to stem the spread of COVID-19 in our community.

Financial Considerations: None.

Policy Considerations: Governor Kelly's Executive Order 20-68 authorizes cities and counties to take this step to stem the spread of the pandemic. This authority is granted to Governor Kelly via K.S.A. 48-924 and K.S.A. 48-925, which outlines the Governor's authority in times of disaster and emergency.

Action: Approval of Ordinance No. 1050

ORDINANCE NO. 1050

WHEREAS, securing the health, safety, and economic well-being of the State of Kansas is the City of Lansing's top priority;

WHEREAS, Kansas is facing a crisis-the pandemic and public health emergency of COVID-19-resulting in illness, death, quarantines, school closures, and temporary closure of business resulting in lost wages and financial hardship to Kansas citizens;

WHEREAS, the United States Department of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 11,136,000 cases of the illness and more than 246,000 deaths as a result of the illness across the United States;

WHEREAS, the World Health Organization declared a pandemic on March 11, 2020; and,

WHEREAS, a State of Disaster Emergency was proclaimed for the State of Kansas on March 12, 2020; and,

WHEREAS, on March 13, 2020, the President of the United States declared the ongoing COVID-19 pandemic of sufficient severity and magnitude to warrant an emergency declaration for all states, tribes, territories, and the District of Columbia pursuant to Section 501 (b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42U.S.C. 5121-5207 (the "Stafford Act");

WHEREAS, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50, U.S.C. 1601 et seq. and consistent with Section 1135 of the Social Security Act, as amended (41 U.S.C. 1320b-5), declared a national emergency that the COVID-19 outbreak in the United States constitutes a national emergency beginning March 1, 2020;

WHEREAS, as of November 18th, in Kansas there have been 128,594 reported positive COVID-19 spread among all 105 Kansas counties, including 1,326 deaths;

WHEREAS, in the late spring and early summer 2020, Kansas experienced a steady trend of decreasing COVID-19 cases, hospitalizations, and deaths, but by mid-summer that downward trend gave way to a worrying spike in COVID-19 cases, hospitalizations, and deaths in Kansas and across the nation;

WHEREAS, as a result of that worrying spike, on July 2, 2020, Governor Kelly issued Executive Order 20-52 (“Requiring masks or other face coverings in public”) but in spite of the deadly and urgent public health threat presented by the spike in COVID-19 cases, many counties exercised their temporary authority under K.S.A. 48-925(h) to “opt out” of statewide public health executive orders to top out of Executive Order 20-52;

WHEREAS, recent weeks have again seen a worrying spike in COVID-19 cases, hospitalizations, and deaths, except that this “spike” has seen the 7day average of cases and hospitalizations first double and then triple, stretching the healthcare system’s ability to handle the unprecedented flux of patients;

WHEREAS, if the healthcare system is overrun with COVID-19 patients, as it will be soon if current trends continue, communities will be forced to close schools and businesses, an non-COVID-19 healthcare services will be postponed due to lack of staffing, space, and supplies in hospitals and doctor’s offices; at worst, Kansans battling COVID-19 or other serious illnesses could suffer and die from the lack of available healthcare services;

WHEREAS, wearing a face covering in public is the easiest and most effective way to protect each other, ease the burden on our overburdened healthcare system, and help keep our businesses open and our economy running;

WHEREAS, the Centers for Disease Control has determined that even increasing universal masking by 15% could prevent the need for restrictions on businesses and gatherings and could avoid severe economic losses;

WHEREAS, wearing a face covering in public is not only safe and easy, it is necessary to avoid more restrictive local measures that could involve closing businesses, schools, organized youth sports, and other important activities;

WHEREAS, the State of Kansas and City of Lansing must remain flexible to account for the evolving nature and score of the unprecedented health emergency posed by COVID-19, while also simultaneously safely and strategically operating businesses and facilitating economic recovery and revitalization;

WHEREAS, for the aforementioned and other reasons, and in recognition and furtherance of our responsibility to provide for and ensure the health, safety , security, and welfare of the people of Lansing, increasing the wearing of face coverings is necessary to promote and secure the safety and protection of our population

WHEREAS, the Governor of the State of Kansas has previously issued Executive Order No. 20-52 requiring individuals to wear masks or other face coverings in public, but the terms of such Executive Order are not, at this time, effective as to or enforceable within Leavenworth County, Kansas, pursuant to action taken by the Leavenworth County Commission under K.S.A. 48-925, as amended by Section 33 of 2020 Kansas Special Session House Bill No. 2016.

WHEREAS, for the aforementioned and other reasons, the governing body of the City of Lansing is acting pursuant to its constitutional home rule authority to provide for the health, safety, welfare and economic well-being of residents and visitors of the City of Lansing, by requiring that masks or other face coverings be worn as described in this ordinance; and
